SCHOOL CLOSED WITH COMMENCEMENT EXERCISES FRIDAY NIGHT

One of the largest graduating classes ever to finish at Hondo High School, received their diplomas at commencement exercises at the high school auditorium Friday night, May 26. There were thirty-seven graduates, as follows:

Frances Bendele, Dorothy Marie Graff, Stella Grell, Laura Lee Leinweber, Alma Nester, Adabelle Pichot, Frances Ruth Rucker, Lindabel Saathoff, Elene Schlentz, Geraldine Stiegler, Mary Sue Walters, Dorothy Woods, Theresa Ziegenbalg, Clinton Britsch, Robert Cosgrove, C. C. Dawson, Joe Embrey, G. H. Finger, Henry Martin Finger, Kenneth Flory, Douglas Fuos, Lacy C. Gilliam, John H. Graff, Clinton Hartung, Lloyd Huesser, Homer Leinweber, Elton Lindeburg, Bennie Mitchell, Paul Oeffinger, Pat O'Neill, Claude Schuchle, Clyde Schuchle, Guido Schuehler, Melvin Wendland, Hershall Wheeler, E. J. Williams and Maurice Zerr.

The commencement address was delivered by Lt. Col. G. B. Dany, of Kelly Field. Colonel Dany, a graduate of West Point and who will be in charge of training at the Air Corps Navigation School in Hondo, spoke on the need for students to continue their educations in these times when specialists in every field of endeavor are in great demand.

Special awards were made by Supt. J. G. Barry, followed by the presentation of the diplomas by Robert L. Kollman, member of the School Board of Trustees. Miss Lindabel Saathoff, daughter of Mr. and Mrs. Jake Saathoff, was named Valedictorian with highest scholastic standing in the class. Melvin Wendland, son of Mr. and Mrs. Alex Wendland, was named Salutatorian.

The following boys received special letters for achievements in athletics: Clinton Britsch, football and basketball; C. C. Dawson, football, basketball and baseball; Joe Embrey, football and baseball; G. H. Finger, football, basketball, and baseball; Kenneth Flory, football, baseball, Lacy C. Gilliam, football; John H. Graff, football; Clinton Hartung, football, basketball; Bennie Mitchell, football, basketball; Claude Schuchle, football, basketball; Clyde Schuehle, football, baseball; Guido Schuehler, football, baseball; Melvin Wendland, football; E. J. Williams, football, basketball; Maurice Zerr, basketball.

The other numbers on the program were: Invocation by Lacy C. Gilliam; Welcome, by Clinton Britsch, President of the Senior Class; song, "The World is Waiting for the Sunrise", by Stella Grell, Alma Nester, Dorothy Marie Graff, Dorothy Woods, Henry Martin Finger, Bennie Mitchell, Frances Ruth Rucker and G. H. Finger; reading, "Song of the Riders", by Frances Ruth Rucker; song, "The End of a Perfect Day", by Miss Evelyn Woodley and Henry Martin Finger. The program closed with the singing of the School Song by the Senior Class. Mrs. R. C. Rath was piano accompanist.

WORK PROGRESSING RAPIDLY

The clear settled weather of the last two weeks has been favorable to the progress of work on the new air field and rapid strides are being made towards its completion.

Among the numerous buildings visible from the highway is an attractive little chapel, meaning the cadets will have their spiritual welfare cared for. At the same time we understand a theatre building is going up for the purpose of furnishing amusement. Practically a complete and separate community is being set up right alongside of our present town.

Work on construction of the sewage disposal plant on the southeast corner of the Ed Ingram farm tract southwest of town is far advanced, and looks as if it might have a capacity sufficient to take care of both communities, though no definite arrangements have been made for the town to utilize it.

The officers in charge of the field are expected to begin arriving soon. Col. James B. Burwell, recently assigned commanding officer of the air field, met Saturday night with the City Council and the Board of Directors of the Chamber of Commerce to discuss housing and other problems pertinent to the activating of the Navigation School.

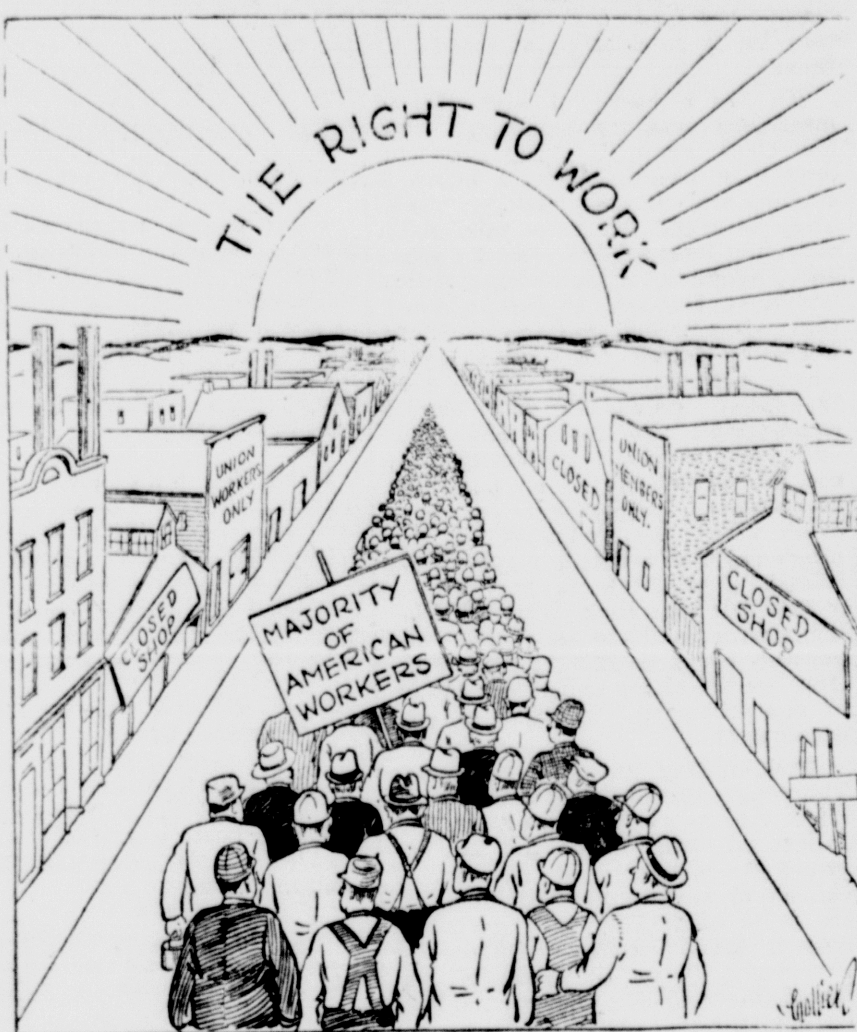

WEDDING ANNOUNCED

Mr. and Mrs. H. H. Knight of Avery, Texas, announce the marriage of their daughter, Lucille, to Homer Wilson, son of the late Mr. and Mrs. Isaac Wilson, of Hondo. The wedding took place April 4, 1942, at the Woodlawn Methodist church in San Antonio.

The bride is a graduate of East Texas State Teachers College of Commerce, Texas, and was a member of the faculty of the Hondo public school during the scholastic year just closed. She taught mathematics and science in the sixth, seventh and eighth grades. Mr. Wilson is manager of the Sun Utility Company's waterworks system in Hondo.

Mr. and Mrs. Wilson are now at home in an apartment in the R. C. Rath residence.

THE LONG HARD WAY

EXPANDS HIS MOVIE BUSINESS.

To meet the ever growing demand for entertainment such as is afforded by the movies, our local theatre man, Mr. Ray L. Jennings, threw open the doors of his new Park Theatre to the public in its initial showing Wednesday night. A good attendance enjoyed an interesting show. Like his other show place, the Raye, the Park is commodious in its seating capacity, is comfortably seated with the best approved theatre chairs and is air conditioned. One can enjoy an hour or two of entertainment in the best of physical surroundings and comfort.

Mr. Jennings' two show places are located within only a few steps of each other, on either side of Bandera Avenue. They are easily located as both are equipped with the latest in neon electrical signs. The public can therefore, have the choice of either of two shows with little trouble, as parking space convenient to one is convenient to the other.

Elsewhere in the columns of this paper will be found the week's program as beginning on Friday night for all performances at both theatres. These programs are regular weekly features in this paper. Watch for them for news of Hondo's movie activities.

LADIES' AID MEETS

Mrs. Ernest Wolff was hostess for the meeting of the St. Paul's Lutheran Ladies' Aid Society held Wednesday afternoon, June 3, at the home of her mother, Mrs. Wm. Mussman. The meeting opened with prayer, song and a reading.

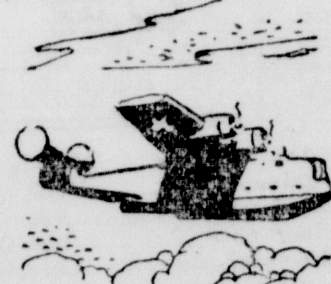

The hostess served refreshments of sandwiches, cookies and iced tea to the following: Mesdames L. A. Meehler, Robert Schulte, Robert Graff, Amanda Muennink, Emmett Nester, Ben Graff, Mrs. Wolff, H. E. Haass, Adam Weyand, Chas. F. Haass, Felix Batot, August Schroeder, Annie Stiegler, Andrew Schuehler and Wm. Mussman.

The next meeting will be held at the home of Mrs. Felix Batot.

Andrew Martin of Dunlay was a business caller at this office Thursday.

What You Buy With WAR BONDS

The giant four-motored Navy Patrol Bombers are the world's most powerful planes. They cost approximately \$700,000 each. The Navy also has a lighter Bomber called the Scout Bomber which costs about \$143,000 apiece.

The battle for Britain was almost lost because England had none of these giant four-motored planes with which to fight back. We need thousands of them and they are coming off the assembly lines in our production plants at a high rate of speed today. You can help buy these for your Navy by purchasing War Bonds and Stamps every pay day. Put at least ten percent into Bonds or Stamps and help your county go over its quota.

LIONS CLUB ELECTS NEW OFFICERS

At Wednesday's regular weekly meeting of the Hondo Lions Club, the following officers and directors were elected:

President—W. L. Windrow.
First Vice-President—Frank X. Vance.
Second Vice-President—R. R. Corder.

Third Vice-President—Harry Fillemann.

Lion Tamer—Frank Buske.

Tail Twister—R. W. DePuy.

Secretary and Treasurer—Marvin Grell.

Directors—V. Horace Crow and Dr. W. B. Meyer.

Installation of officers will be held late in June.

Three new members were welcomed into the club. They are Waldo Foster, Johnny Martin and Clarence Haass.

The Hondo Lions and the Medina Valley Lions met on Barry Field Wednesday night for a game of softball. Handicapped as the players were, wearing extreme styles of feminine apparel, the final score was 8 to 2 in favor of the visitors.

NOW'S THE TIME TO STUDY FIRST AID

There will be a Standard First Aid class on Wednesday from 3:00 to 4:00 each evening at the High School gym. If you are interested in this course please sign up for it, as this will be the last Standard Course started for some time in Hondo as the instructors are going to teach in the other communities. Anyone with two years of high school education or those over 17 years of age are eligible.

A Junior First Aid course will start Friday, June 5, at 3 o'clock in the High School gym for those between 12 and 16 years of age. This course will be taught by Mrs. O. B. Taylor.

Navy Cruisers are built in two classes, light and heavy, the latter displacing about 10,000 tons. Our navy has about an equal number of light and heavy Cruisers, the 10,000 ton Cruiser costing approximately \$20,000,000. Many Cruisers are under construction and many more are needed.

To pay for these speedy and powerful ships with their heavy guns and armament we must buy War Bonds. Citizens of a large town or a given community, working in unity, could buy one of these ships for the Navy if they put at least ten percent of their income in War Bonds every pay day.

IN J. P. COURT

Five Mexican youths were brought into Justice of the Peace Court Thursday morning to answer to charges of disturbing the peace. The charge grew out of an argument ending in an exchange of flying bricks Wednesday night near the business section of Hondo. Judge H. V. Haass fined the culprits each \$1.00 and costs of court.

AUTO STOLEN

Sheriff Chas. J. Schuehle informed us that a few hours after J. H. Hays of Miranda City parked his car Monday night on Highway 90 in the center of town, it was stolen. The car, a blue Ford V-8, 2-door sedan, was a 1936 model carrying license N63-923, and had a full tank of gasoline and four new re-tread tires. Also lost in the theft was a steamer trunk with clothing and a box of carpenter's tools, valued at about \$200.00. The car has not been recovered at this time.

SHERIFF SCHUEHLE ARRESTS MAN FOR CATTLE THEFT

Ed Heidenrich, employed at the air field here, was arrested Friday by Sheriff Charles J. Schuehle on a cattle theft charge, alleged to have occurred in June, 1930, at which time he was working on the Henry Haas ranch on the Seco under the alias of Ed Hill. A truck load of calves was sold in San Antonio and the check was cashed at a local store under the name of Sam Black. A warrant was issued at the time for his arrest. He returned to Hondo after an absence of twelve years, securing work at the new field. Sheriff Schuehle recognized Heidenrich, checked up on him and arrested the man as he was cashing his pay check at the bank Friday evening. At a hearing his bond was set at \$1,000 which he was unable to make, and his case will come up for trial in the June term of district court.

THE METHODIST CHURCH

10 A. M. Church School; classes for all. Come bring the children.

11 A. M. Sermon and Sacrament; Altar Offering for War Relief.

8:30 The Beginners' Department of the Church School will give an exhibit of the work done in the Vacation Bible School, and a program of their work. Mrs. A. H. Schuehler is the Superintendent; Mrs. Robert Corder and Misses Gladys Bohlen and Darlene Brucks have been the assistants.

The public is cordially invited to attend the program.

Next Week Vacation School

Beginning Monday morning at 9 o'clock, the Primary and Junior Departments will begin their Vacation School, meeting each morning from 9 to 11. All children between the ages of 6 and 13 are invited to attend. Miss Willie Fly will have charge of the school. She will be assisted by Mrs. Bruno Schuehler, Mrs. Laughhouse, Mrs. T. C. Barnes, and others.

R. F. DAVIS,
Pastor.

RUNAWAY HORSE HITS CAR; GIRL RIDER INJURED

Miss Oma Ray Walker, employee at the air field, is in Medina Hospital as the result of an accident early Monday evening, June 1st, when the horse she was riding started to run away and collided with a car traveling on the highway. The accident occurred about one block west of the depot.

Miss Walker suffered a fracture of the left leg just above the knee. Hospital attendants report her progressing satisfactorily at this time.

The collision crippled the horse slightly and badly damaged the car, a new Buick sedan. The four occupants of the car, residents of Mexico City, who were enroute to New York, were uninjured.

CATHOLIC SERVICES

Effective at once, there will be three Masses offered each Sunday as follows: St. John's Church at 6:00 A. M. and 9 A. M.; in Our Lady of Sorrows Church, 10:30 A. M. (Central War Time).

THE LOW DOWN FROM HICKORY GROVE

So far nobody—not even a Bureau—has devised a system where you can live much longer than 100 years. Folks we know now—big shot or little—will not be here 100 years hence. You will be a dead pigeon in 2024. In 2024 there will not be one person in 10 thousand who will have the haziest notion as to who you were, if somebody would scrape off a tombstone and find your name.

Nobody could do a better stunt than to sit down some evening and think over with himself as to the jam he may be in, in 2042, and thereafter through eternity, if he don't curb his style somewhat—and pronto.

And Eternity, the best definition I ever heard was the one that Katsibys Higgins in Fargo, North Dakota, told me when I hung out there and clumb poles for the Edison Company. Katsibys said that if a bird was to take a drop of water from the Atlantic and hop one hop per day and put it in the Pacific, it would only be sun-up on the first day in Eternity when he had moved all the Atlantic ocean to the Pacific.

Yours with the low down,
JOE SERRA.

In view of the influx of such a large number of new people, more than doubling Hondo's normal population, and the fly and mosquito season approaching flood time, it behooves all to take careful precautions about disposal of their garbage and waste. Hondo's natural drainage is poor and the town is without a sewage disposal plant, making sanitary precautions doubly important. It would be extremely unfortunate for our town if a little negligence on the part of the careless should bring on an epidemic of dysentery or typhoid. As an extra precaution, during the overcrowded condition of the town and pending the construction of a sewer system, it is being suggested that the municipality might well provide a garbage truck for hauling away refuse, and see that it is properly utilized.

EAT THE SAME BREAD

No country on earth has as many automobiles per capita as the United States. In no country is the automobile such a necessity in the daily life of the people. We have used it so universally that steam and electric railroads long ago discontinued the bulk of their interurban service throughout the country, and interurban tracks have been generally abandoned and torn up. Now, as a war necessity, the people are required to give up, to a large extent, this basic means of transportation.

When gasoline rationing went into effect, many Congressmen and Senators who regulate the acts of private citizens, signed up for "X" cards giving them unlimited amounts of gas, on the theory that their driving was essential to national defense. Probably nowhere else in the world is a private car for a public official less needed than in Washington, D. C., where taxicabs are as thick as fleas on a dog's back and rates are the lowest. Most Congressmen and Senators live in apartment houses and hotels where it is more advantageous to use a taxicab than a private car.

Writing on this situation, Raymond Clapper says: "The attitude of these Senators and representatives makes one's blood boil." This gasoline grab is a glaring example of privileged officialism asking the common people to make sacrifices which the officeholders do not wish to share. It's high time that our growing army of public servants, which is acquiring more and more special privileges, was set back on its heels and made to eat the same kind of bread it rations out to the people.—Industrial News Review.

QUIHI NOTES

Then Pharaoh sent and called Joseph; and they brought him hastily
out of the dungeon. Gen. 41:14.

When the hour strikes on God's
time-piece, things begin to move.
Pharaoh, the king of Egypt, has
those irritating dreams about the
"fat-fleshed" and the lean kine, and
about the "rank and good" ears of
corn, devoured by the east wind. Others
might have brushed such dreams
aside with a jest or an impatient
frown. Not he. There must be
something substantial and forebod-
ing involved in the flimsy stuff that
dreams are made of. Who sees to it
that he is so deeply affected by
them?

He has a horde of high-salaried
magicians who are called in, now
and then, when His Highness in-
dulges in dreams after a hilarious
evening with late and heavy meals.
They practiced the hit or miss meth-
od, using long-winded oratory, broad
and ambiguous explanations, always
leaving a loophole to escape detec-
tion when wrong and, most likely,
expecting double pay when some-
where near the truth with their
fraudulent guesswork and shrewd
calculations. To dodge the issue
and admit ignorance or disability in
the interpretation of a particular
case-dream, was risky. It might
bring about the forfeiture of the
king's favor or result in a speedy dis-
missal. Again, tell me, who sees to
it that this time there is no dilly-dal-
lying with would-be wise and wild
guesses, but a downright confession.
Here we are at the end of our tether,
of our schemery, regardless of con-
sequences?

And another one gets a moving.
The king's spirit is troubled. When
kinsmen, courtiers tremble. The
failure of "wise" men did not im-
prove the atmosphere. The air of
the court was electrically laden to
the point of flashing an explosion.
And it might strike anybody or
everybody, if no lightning-rod was
found fast. Those higher-ups are
hard and cruel customers when out
of humor. All former services and
more or less intimate relations are
forgotten; they smash whoever frus-
trates their desires and ambitions.

The butler wakes up, remember-
ing his "faults," his forgetfulness,
now dropping every precaution and
fear of an expose, of exposing the
discreditable machinations of high
dignitaries and influential personal-
ities at the court, including the Poti-
phar family. Who, tell me, now re-
vives his memories, pries his mouth
open and makes him speak with cour-
age, straight from the shoulder?
Speaking of the gloomy days, when
the wrath of the king rested upon
him and the chief baker, putting
them in the captain of the guards'
house and keeping them under close
watch; speaking of the dreams they
had in the same night, making their
hearts heavy and the day miserable,
and how a young man, a Hebrew,
the servant, the slave, of the captain, in-
terpreted their dreams and how the
interpretation proved true within
three days, "restoring me into my
office" and lifting the baker to the
gallows. —There it was, in bulk
and detail, uttered with an ashen
face and a faltering voice, surround-
ed by a stern-miened potentate,
grim-visaged magicians, grinning
court-jesters, doubting lords and la-
dies, and the threatening attitude of
the proud little despots whose record
he had dragged into court for public
suspicion or even a probable investi-
gation.

And the reaction, the result? A
lengthy and heated consultation,
with the magicians flaying the idea
of a usurper, a fraud and impostor
in prison, defying their exalted po-
sition, assuming to know more than
they with their well-grounded wis-
dom and long experience; the small
cry, the princes and princesses,
stressing and ridiculing the silly
idea that a Hebrew, a foreigner,
should know more than the cultured
and highly admiring natives, the
Egyptians the whole clamorous co-
terie—you can almost hear the

screaming Madame Potiphar—con-
demning the preposterous indignity
of having His Majesty stoop to the
counsel and information from the
mind of a vulgar and detested slave?
Is that the result? Not at all. Pha-
raoh was at once impressed, and nev-
er hurried feet faster to bring a pris-
oner before a king's throne. Just
who made this king control his lofty
temper and, throwing prestige and
pride aside, confide in the revelations
from the lowly lips of a foreign pris-
oner-slave? Again, when the hour
strikes on the Lord's time-piece,
things begin to move.

Mr. and Mrs. A. C. Oefinger of
San Antonio brought their little son
for holy baptism and selected the
names of Daniel Clyde. Mr. and
Mrs. Jacob Oefinger stood as spon-
sors. We invoke the blessing of the
Lord upon the child to guide his fu-
ture in pleasant and useful ways.

After a few serious days at the
Medina Hospital, following a major
operation, Mrs. Alfred Boehle had
sufficiently recovered to be moved
to the home of Mr. and Mrs. Otto
Grell for full recuperation. And the
patient is glad and thankful for the
speedy strides she experiences on the
road to recovery.

But a few days after, Mrs. Roy
Bohlen followed her aunt with the
same operation. To all appearances,
her removal from the same hospital
is next on that unforeseen program.
The Lord has blessed the hands of
doctors and nurses and other at-
tendants. Thanks to Him.

Mr. F. Schulte, after spending sev-
eral days with Mr. and Mrs. Walter
Grell, has returned to San Antonio.
She had been operated and hospital-
ized there for some time and her
case had been somewhat alarming
for a while. All's well now, it seems.
Glad some news.

Now and then, visitors from far
away drop in at our humble services.

DR. BALZEN IN U. S. NAVY

Mr. Edwin Balzen of Dunlay was
a caller at this office Saturday and
informed us that his son, Dr. Adolf
H. Balzen, has been ordered to report
for duty with the Naval Reserve in
San Diego, California. The follow-
ing is taken from The Chattanooga
(Tenn.) Times, May 20:

"Dr. Balzen resigned his position
as dental resident doctor at Erlan-
ger Hospital yesterday and will leave
today for San Diego, where he has
been ordered to report for duty with
the naval reserve, Dr. Eugene B.
Elder announced yesterday.

"Dr. Balzen is a native of Dun-
lay, Tex., and was graduated from
the University of Tennessee, Mem-
phis."

Dr. Balzen is a graduate of Hon-
do High School with the class of
1932. One of his classmates, Frank
Rucker, formerly of Hondo but now
of Uvalde, writes that he is proud of
his "old school chum" and sent us
the following from The San Angelo
Standard Times:

"Dr. Adolf Balzen of Chattanooga,
Tenn., passed through here at the
week-end en route to San Diego and
service with the U. S. Navy as a
lieutenant. Dr. Balzen had been
serving as resident dentist at the
City Hospital in Chattanooga. Mrs.
Balzen is to join him when he re-
ceive assignment. The visitor left
Saturday afternoon after being the
guest of an uncle and aunt, the Rev.
and Mrs. Fred Brucks, here since
Thursday."

HONDO, TEXAS, JUNE 5, 1942

Washington Snapshots

by JAMES PRESTON

Taxation continues to be one of the most-discussed topics of the week here. With the war currently costing over 3 billion dollars a month, need for new revenue is obvious. The only question is: how to get it? This is an election year, and the lawmakers are doubly anxious not to do anything that will send votes to rival candidates in the November battle of the ballots.

Administration leaders continue to exert strong opposition to a sales tax, although the proposal to apply such a levy keeps cropping up. Their action to lower personal income tax exemptions to bring millions of new wage earners into the tax fold was interpreted in many quarters as an attempt to forestall the sales tax demand. As the income tax plan is set up now, a single man earning \$10 a week would have to file a return.

At present the House Ways and Means Committee has approved a provision for requiring joint income tax returns of husband and wife. Unless there is a sharp shift of sentiment in the Committee, it appears likely that this controversial legislation will be the subject of another bitter floor fight in both the House and the Senate.

Meanwhile a sales tax is still a possibility. Whether or not it will be enacted remains to be seen, but, at the moment at least, the proposal is far from dead.

—WSS—

The Administration continues to oppose labor reform legislation, but here, too, Congress is displaying a mind of its own.

The House Judiciary Committee plans to begin drafting a bill shortly after June 1 that will permit the Department of Justice to prosecute labor unions for violations of the anti-trust laws and make labor unions subject to the Federal Anti-Racketeering Act. This would represent a combination of provisions from several other labor bills that have been introduced recently.

—WSS—

Meanwhile, a resolution has been presented in the House to require government officials to appear on request before Congressional committees to testify concerning pending legislation. This springs from the recent refusal of Attorney General Biddle to permit Assistant Attorney General Arnold to testify about labor practices which, in the opinion of some legislators, would have shown the need for labor reform legislation.

—WSS—

Congress is about to write into law a subsidy for manufacturers who are caught in a squeeze between price ceilings and rising production costs. This legislation would empower the Reconstruction Finance Corporation to make payments to such business concerns to help them over the rough spots of price control.

As the bill now stands, the RFC would be authorized at the request of the Price Administrator and with the approval of the Secretary of Commerce to make payments in conjunction with the production, procurement, processing, servicing, or distribution of any article or commodity for the purpose of stimulating production or holding down prices, and to "purchase, acquire, carry, sell, or otherwise deal in any article or commodity."

Meanwhile, legislation has been offered in the House to revise the present price control law completely. One bill would establish a three-man war labor unit to enforce adjustable ceilings on wages and salaries and eliminate the 110 per cent of parity provision on farm products.

NO STATE FAIR THIS FALL

Dallas, Texas, June 1.—There will be no 1942 State Fair of Texas. Decision to forego the annual exposition, known as "The world's largest and most beautiful State Fair," was reached by the Board of Directors after Harry L. Seay, President of the institution, made a report on his survey of conditions brought about by the national emergency.

Lack of transportation for both exhibits and patrons decided the issue. Tire shortage, possible gasoline rationing and a scarcity of shipping facilities influenced the decision. Many of the leading fairs of both the United States and Canada have been called off for the duration.

Grounds and buildings of the \$15,000,000 plant of the State Fair of Texas have been tendered the United States Government for whatever use it may see fit to make of them, Mr. Seay announced.

THE WAR

A summary of the past week's war events reviewed by The National Editorial Association Defense Advisory Committee in cooperation with the Office of Government Reports.

FOR RELEASE JUNE 2, 1942.

Army Air Forces Commander Arnold told a press conference in London that United States fighter and bomber planes will soon join the British Air Force in bombing Germany. U. S. pilots will have their own air fields and ground crews, he said. We shall hit the enemy hard and relentlessly until his military power has been broken," Gen. Arnold said. "It is obvious that no offensive against Nazi-occupied Europe can succeed without air superiority and we mean to have it."

Army Services of Supply Chief Somerwell, also in London, said U. S. and British officials are working on a program to standardize military equipment, including tanks and planes, so such equipment may be exchanged freely. Chief of Staff Marshall said American troops are "landing in England and they will land in France."

Production:
Under Secretary of War Patterson reported the President's goal of 60,000 planes in 1942 will be surpassed "by a substantial margin," and tank and ammunition production are keeping pace with schedules. He said Army Ordnance monthly deliveries are 458 times as great as two years ago. The WPB said production of new machine tools is 72 percent above last year.

The House passed and returned to the Senate legislation setting up a smaller war plants corporation which would make loans to small firms to enable them to obtain war contracts. The Commerce Department issued suggested procedures for establishing business wartime clinics to aid local business men in working out current problems of dislocation and changes in their business.

Army Expansion and Training:

Chief of Staff Marshall announced there will be nearly 4,500,000 soldiers under arms by the end of 1942 rather than 3,600,000 as originally planned at the start of the war. During the past four weeks alone the Army strength has been increased by 300,000 men, he said. The Civil Aeronautics Administration called for volunteers to be trained as glider pilots in the Army Air Forces. The glider training is open to men 18 to 35 holding pilot licenses of private grade or higher, to graduates of the CAA program and to pilots completing 200 or more glider flights.

The War Department said medical students who have completed advanced ROTC courses and have been accepted as matriculants in an approved school of medicine will be commissioned Second Lieutenants and placed on a deferred duty status. The Senate completed Congressional action on a bill increasing the number of cadets each member of Congress may appoint to the U. S. Military Academy from three to four, and increasing authorized strength of the cadet corps from 1,960 to 2,496. The Army reported nine new infantry divisions will be organized before the end of August.

Selective Service:

U. S. Commissioner of Education Studebaker reported about 430,000 men have been rejected for Army service so far because of illiteracy. Of these, 250,000 are physically fit. He said a program is being worked out to give the "functionally illiterate" basic training in reading, writing and arithmetic. The President told a press conference such rejects have a low mental level because of lack of opportunity. They need to be helped through improved nutrition and possibly through a manual vocational training process, he said.

Navy:

The President asked Congress for an additional \$600 million for expansion of naval aviation and of warship tonnage. The Senate passed and sent to the House a bill authorizing the Navy to acquire 24 nonrigid blimps, raising the present limit on the number of such ships to 72. The Navy Department authorized enlistment of 10,000 additional college Juniors, Seniors and graduates between 19 and 28 for Reserve Midshipman training leading to Commissions as Ensigns.

The War Front

A Navy communiqué reported U. S. submarines in Far Eastern waters sank two Japanese cargo ships, probably sank a third, and damaged one heavy cruiser. The Navy also announced the U. S. Destroyer Blakely reached an undisclosed port with 10 of her crew missing and six injured after being torpedoed in the Caribbean Area.

During the week the Navy reported one large, 11 medium-sized and four small United Nations merchant vessels (11 of U. S. registry), and a U. S. trawler were torpedoed or sunk by shellfire in the Atlantic and Caribbean Areas. Survivors were landed at East Coast and Caribbean Ports. The State Department said the U. S. is abiding by the rules of the Geneva Prisoners of War Convention, and the German, Italian and Japanese Governments are apparently doing the same.

Civilian Supply
The WPB reported more than

400,000 scrapped automobiles from auto graveyards yielded 350,000 tons more than the average monthly yield for 1941. The Board said American motorists have in the tires and the works of the automobiles a rubber reserve of about 1,200,000 tons.

The WPB said a Victory safety razor with a plastic handle, a zinc cap, and a zinc or plastic guard will go into production in a few months and will be offered to the public when the present supply is used up. The Board announced it invites specific inquiries from manufacturers as to how they may employ casein, a basic chemical made from skimmed milk, as a substitute product for scarce chemicals. Production of all musical instruments except violins, cellos and some guitars was halted. Piano manufacturers will turn out gliders, organ factories will make blowers for link gliders used in ground training of pilots, and factories which made French horns, trombones, trumpets, etc., will manufacture precision instruments for airplanes.

Rationing
Price Administrator Henderson said there will be more rationing of essential articles, but the country is a long way from a complete rationing system. He said there will be additional shortages in power, fuel reserves and transportation. WPB Automotive Division Chief Kanzler reported nationwide rationing of gasoline would help relieve potential rubber and automotive replacement parts shortages. Board Chairman Nelson said administrative difficulties will make it impossible to institute such gasoline rationing before July 1. The OPA reported the June ration quota for new passenger automobile will be 40,000 plus carry-over of unused quotas from March, April or May.

War Bond Sales

The Treasury said War Bond sales from May 1 to May 29 totaled \$615 million, while the quota for the month was \$600 million. April sales were \$536 million. The June quota is \$800 million, and the goal will be raised to \$1,000 million in July. The Treasury said 1,000,000 retailers throughout the country are being asked to sell War Bonds and Stamps equaling the value of four percent of total merchandise sales in July, or approximately \$160 million worth.

Labor Supply

The War Manpower Commission said it is considering a plan to bind management in critical labor areas to hire workers with certain skills through the U. S. Employment Service, in order to eliminate "piracy" in such areas. The Commission also said if workers refuse to accept suitable employment in war industries "without reasonable cause," the circumstances will be referred to the Selective Service System for consideration in connection with any request for occupational deferment.

LIVESTOCK MARKET REPORT

Monday, June 1, 1942

San Antonio, June 1.—HOGS, estimated salable and total receipts 1,100. The week's initial session in the San Antonio hog division found all classes moving on a steady basis as compared with last week Friday. The day's top of \$13.75 took most Good and Choice 180-270 lb. butchers while similar grade 160-180 lbs. ranged from \$13.25-13.75. Good and Choice 140-160 lb. light lights secured \$12.75-13.25. Most sows 400 lbs. and under cleared \$12.00-12.75 with extreme weights at \$12.00-12.25. Scattered lots feeder pigs commanded \$12.00-12.25.

CATTLE: Estimated salable and total receipts 1,800; CALVES 2,400. Cattle trade as a whole was somewhat slow in developing. With the exception of a weak to 25c lower tone on Common calves, slaughter classes ruled about steady. A few lots Common and Medium grass fat steers and yearlings ranged from \$9.00-11.00. Catter grade mature steers of Mexican origin cleared \$8.00-8.50.

Common to just Good beef cows turned at \$7.50-9.00 with Good weighty individuals to \$9.40. Canners and Cutters cleared \$5.50-7.50. Thin Canners dropped to \$4.50-5.00. Common to Good sausage bulls moved in a \$7.50-9.50 spread. Good and Choice killer calves at \$11.50-12.50 were rather scarce in the day's supply with Common and Medium at \$9.00-11.50 making up the bulk of receipts. Cull kind secured \$7.00-8.75.

Limited early stocker calf trading appeared about steady but the bulk of sales appeared 25-50c lower. Scattered lots Good and Choice steer calves ranged from \$11.25-13.50, few to \$14.00. Comparable grade heifers earned \$10.50-12.50, few \$13.00. A load Choice 730 lb. yearling stocker steers claimed \$12.50.

SHEEP: Estimated salable and total receipts 1,000. Sheep and goat trade carried about steady rates. Medium and Good shorn wethers cleared \$6.00-6.25. A few slaughter Angora goats made \$5.00-5.25. One load Cull and Common shorn ewes brought \$4.25 with sorts down to \$3.25.

A SOLDIER BOY HEARD FROM

Following is taken from a private
letter to his folks in Hondo from
Lieutenant J. H. Rothe, and is given
here as a matter of interest not
alone to J. H.'s friends but for its
general information:

Fort Meade, Maryland,
Tuesday.
*** I am no longer with the 29th
Division. I have been selected along
with some other officers in my Bat-
alion to take part in a big Army War
Show. It is being assembled at Ft.
Meade and is made up of tanks, air-
planes, armored cars, and all the lat-
est military equipment. The show is
supposed to cost approximately five
million dollars. We will be on the
road until Sept. 21, and maybe longer.
Here are the towns and dates we
will appear:

Baltimore, June 12 through 15.
Philadelphia, June 20 through 27
Pittsburg, July 3 through 6.
Buffalo, July 9 through 12.
Cleveland, July 16 through 19.
Detroit, July 23 through 26.
Cincinnati, July 28 through 30.
Chicago, August 2 through 10.
Milwaukee, August 13 through 16.
Minneapolis, August 20 through
23.

St. Paul, Sept. 4 through 7.
Kansas City, July 28 through 30.
DALLAS, Sept. 12 through 15.
New Orleans, Sept. 18 through 21.
The purpose of the show is to
build up the morale of the American
people and to show them just what
our soldiers are doing. The proceeds
will go to Army Relief Association.
Rumors are that the man directing
the show will be the man who put
on the World's Fair. The shows will
be put on in football stadiums. It
will be made up of 16 acts. The first
act is all the men standing at Retreat,
the flag is lowered, the band is play-
ing Star Spangled Banner; air planes
fly over and tanks rumble by. In
another act the lights go out and a
company of Infantry men come
marching out with red, white and
blue lights on the end of their rifles.
The result will be the American flag
made up of these lights, and by
marching a certain way it will ap-
pear as if the flag is waving.

In another act all the men are sit-
ting around the camp fire singing
"Dear Mom". Word comes up that
the attack is on and a mock battle
is put on. Bombs burst, cannons
shoot, tanks come through, airplanes
come over and the men attack. So
far we haven't heard just what the
other acts will be. We will travel by
train (5 of 'em) and the thing ought
to turn out to be quite an experi-
ence. Say a prayer for me that
nothing will fall through.

R. H. POSEY ANNOUNCES FOR STATE LEGISLATURE

R. H. Posey of Carrizo Springs au-
thorizes the Hondo Anvil Herald to
carry his announcement as a candi-
date for Representative of the 77th
District.

Mr. Posey is a native of Tennes-
see, but has lived in South Texas fifty
years and in Dimmit County the
past fifteen years, engaged in hor-
ticulture, and for the past ten years
engaged in the feed business in Car-
rizo Springs.

While the people of this section
know him to the extent that he needs
no introduction, he hopes to talk
personally with as many of the vot-
ers as possible. His policy he states
is "equal rights to all and special
privileges to none." He has never
been a candidate or held a political
office. He is a charter member of
the Townsend Club and member of
the Red Cross.

In a later communication Mr.
Posey said:

"I find since announcing for rep-
resentative it will be impossible for
me to personally contact each voter.
My platform, briefly speaking, is
equal rights to all, special privileges
to none. That is justice. Justice be-
ing the foundation to God's throne
certainly should be the foundation
principle of his creatures.

"I am no politician. I came into
this race of my own free will and
accord; was not influenced or fi-
nanced by any special interest. Will
not be obligated except to 90 percent
of the people who are of my class—
just common people and I am one
of them.

"One of the main issues that will
come before the next Legislature is
the clarifying of the pension law, so
the old people, 65 years old, who
have no income, may get their \$30
per month, and to remove the under-
ceiling so the needy blind and de-
pendent children for whom the tax
law has already provided plenty of
money.

"We do not need to vote any more
tax bills, but we do need to conserve
what we already have and spend it
for a just cause.

"I do not believe in taxing the peo-
ple for chicken suppers for politi-
cians or to kick around our just laws
like a football for political purposes.
"To me a public office is a sacred
trust and I pledge my word and hon-
or to labor in that direction."

:-: D'Hanis Doings :-:

A round-up of Local, Personal and Business Items gathered weekly by our regular Correspondent

Miss Josie Rothe

to whom all items intended for this column should be handed not later than Wednesday noon of each week. Miss Rothe is authorized to collect and receipt for money due this paper.

D'HANIS, TEXAS, WEDNESDAY, JUNE 3, 1942

Mrs. J. L. McLeese and daughter, Miss Erin Nolan, of San Diego, Calif., spent the week-end as guests of Mrs. John Koch. They were en route home after a visit in Louisiana.

George Ilse left Monday for the Fort Sam Houston induction center. He was one of a group of selectees going from Medina County on that day. He had recently arrived home from Baltimore, Md., where he had been employed in civil service.

Mrs. R. Hunnam, formerly of Nashville, Tenn., has come to D'Hanis to make her home with her daughter, Mrs. Pete Saathoff.

Mr. and Mrs. Reily Carle and Mrs. Louis Carle visited Mrs. M. L. Knippa and Mrs. Frank Carle in San Antonio Tuesday.

Miss Bertha Weynand of San Antonio was here for the Commencement Exercises of the class of D'Hanis High School, her sister Marie being class valedictorian. The latter will leave in a few days to enter a business school in San Antonio.

Sunday Mr. and Mrs. Ed S. Koch were luncheon hosts to a group of relatives who were here for the graduation of Edward J. Koch. The guests were Mrs. Nic Koch, Mrs. Leonard Robinson, Mr. and Mrs. Herman Koch, Mr. and Mrs. Guenther Koch and children, Mr. and Mrs. George Koch and children of Hondo, Mr. and Mrs. Paul Bendele and daughter of Dunlay, Mr. and Mrs. Herbert Koch and daughter, Mr. and Mrs. Francis Koch and son, Mr. and Mrs. Richard Carle and children of San Antonio.

Miss Johnnie Love was a member of the class of 1942 of the Santa Rosa Hospital School of Nursing, receiving her diploma on May 18. She will complete her practice later during the summer, and has enlisted for army duty including foreign service. She is the daughter of Mr. and Mrs. J. J. Love, who attended the graduation. Their other daughter, Claudia Ruth, accompanied her parents.

Clarence J. Estes is here to live with his mother, Mrs. John Coffey. Mr. and Mrs. John Coffey and Clarence J. Estes accompanied Sgt. Orvel E. Estes and Miss Margaret Chipman to Bandera Saturday afternoon where they were married at the Methodist parsonage. The bridegroom is the son of Mrs. John Coffey and stationed at Sheppard Field, Wichita Falls, Texas. Mrs. Estes is a beauty operator at Bandera. She will join her husband later at Wichita Falls where they will make their home. He returned Sunday to his duty at Sheppard Field.

GRADUATION EXERCISES AT D. H. S.

The Commencement Exercises of D'Hanis High School took place in the High School Auditorium on Friday evening, May 22, at 9:15 o'clock, at which time the four members of the class of '42 received their diplomas.

The program opened with a procession, when the Seniors, attired in mortar-board caps and gowns, filed up the aisle and took their places on the stage, where the members of the school board, Mr. Frank X. Vance, and Superintendent S. H. Willis had preceded them.

The salutatory address by Inell Poerner was followed by a piano solo by Adeline Wolff. Marie Weynand, class valedictorian, gave the farewell address. The High School Girls' Choral Club sang "Aloha Oe."

Mr. Frank X. Vance, County Attorney of Medina County, gave the commencement address. Having briefly outlined the functions of the departments of our democratic form of government, he dwelt on the duties of citizens to themselves, their neighbors, and their God, explaining how these were necessary to the preservation of a true democracy.

Following a piano solo, Haydn's "Menuet in F" by Adeline Wolff, Mr. Paul Reinhart, president of the board of education, presented diplomas to the graduates as follows: Lawrence Huser, Inell Poerner, Marie Weynand, and James Wolff. The valedictorian and salutatorian were awarded medals for scholarship, and the boys of the class received medals for citizenship. Other awards were a medal for typing, which went to Vivian Biry, and a certificate for perfect attendance, earned by Gladys Weynand. The presentation of awards was made by Superintendent Willis.

COMMENCEMENT SUNDAY AT ST. ANTHONY'S

Sunday, May 24, was Graduation Day for the Senior Class of St. Anthony's High School. The Baccalaureate Services began at 9 o'clock in the morning with a procession of the seniors from the school to Holy Cross Church. Here the sanctuary was beautiful with candles and profusions of red roses, class flower. The graduates entered singly while a processional march was being played on the pipe organ. They were in caps and gowns, the girls in white and the boys in blue, these being the colors of their class, and all knelt on pews of their class, and all knelt on pews of their class, and all knelt on pews of their class. During the Solemn Mass they received

Holy Communion at the main altar. Reverend Eugene Zuber officiated and preached an impressive baccalaureate sermon.

Commencement exercises were also held in the church, Sunday evening, May 24, at 8:30 o'clock. Following the recitation of the Rosary by the congregation, the following awards were presented by Father Zuber: high school diplomas: Mary Anne Finger, Ruth Eleanor Huser, Edward Joseph Koch, James Joseph Richter, and Bernard Charles Zinsmeyer; commercial certificates: Mary Anne Finger, Ruth Huser, Edward Koch, Jeanette Langfeld, Matiana Martinez, Madeline Nester, James Richter, and David Zinsmeyer; certificates for daily attendance: Ruth Huser, Charlotte Koch, Jerry Raney, James Richter, Mary Alice Zerr, and David Zinsmeyer. Benediction of the Blessed Sacrament was followed by the recessional march.

June 3, 1942—

Miss Josephine Dubray of Houston spent the week-end here visiting her aunts, Mrs. Ben Zerr and Mrs. Reily Carle, and her brother, Joseph Dubray.

Miss Mattie Etta Stockley arrived from Austin Tuesday to be with her mother and brother, Mrs. F. C. Stockley and Franklin Stockley. She has completed her freshman year at the University of Texas.

Mr. and Mrs. Thomas Koch came home Monday from a trip to Monterrey, Mexico, returning by way of McAllen and Corpus Christi. They were accompanied by Mr. and Mrs. Robert Wolff of San Antonio.

Mrs. O. J. Reinhart spent Sunday at College Station, accompanying a party of relatives from Hondo. Her son, Oliver, has entered A. and M. College for his senior year after a two weeks' vacation.

Mr. and Mrs. Roy Schweers and baby son of San Antonio spent Sunday with their mother, Mrs. Ed S. Koch, and Mr. Koch.

Ferd Louis Rothe, who has completed his junior year at St. Mary's University of San Antonio, is at home for the summer vacation.

Mr. and Mrs. J. B. Nester and son, John Joseph, and Miss Mary Ann Finger attended the commencement exercises of the Knippa High School Thursday evening. Misses Beatrice and Doris Schawe were members of the graduating class.

BIRTHDAY PARTY

On May 28, Paul Ephraim Jr. celebrated his sixth birthday with a party. Many games were played and a contest was held in which Mary Jane Moore won first prize and Harlan Wolff second. Refreshments of ice cream and cake were served to the following guests: Ney Rieber, Anne Lutz, Margaret Mueller, Adalene, Norma and Harlan Wolff, Jo and Jane Moore, J. C. Biry and Bernard Koch.

D'HANIS BOYS IN THE SERVICE

Sgt. W. Jacob Weynand arrived here from Camp Polk, La., for a several days' furlough in the home of his parents, Mr. and Mrs. Henry Weynand.

Mr. and Mrs. Joe J. Lutz are anxiously awaiting news of two of their sons, both of whom are supposedly on their way to foreign parts. Until a few weeks ago Alphonse was at Camp Roberts, Calif., and Alfred at Camp Callan, near San Diego, Calif.

Pvt. Hilmar J. Koch is now serving with the topography branch of army engineers at Camp Claiborne, La.

M. J. ZERR MEETS ACCIDENTAL DEATH

Martin J. Zerr, 53, of Corpus Christi, formerly of D'Hanis, was drowned in Lake Corpus Christi near Mathis, on May 28, while crossing the lake in a motor boat with his son and a little friend. The three were washed overboard by a sudden wave, but the two boys were saved after being in the water about 36 minutes. The accident occurred during the afternoon, and the body was not recovered until the following day.

A native of D'Hanis, Martin Zerr was born on September 11, 1888, and was a member of a pioneer Medina County family. He had made Corpus Christi his home for the last 30 years, and was at the time of his death president and general manager of the Corpus Christi Lumber and Development Company. He was a veteran of World War I.

He was buried from his home at 10:30 Saturday morning, and interment was made in Rose Hill Cemetery.

Survivors are the widow, Mrs. Marie Jordt Zerr; two children, John and Janet; three sisters, Mrs. Will Lieber, Mrs. Theresa Ney, and Mrs. A. J. Grimsinger of D'Hanis, and one brother, Robert J. Zerr, of Hondo. He was preceded in death by an infant son, Martin Zerr.

Seed dealers in Hunt County, with the advice of county extension agents have selected 18 varieties of vegetables suitable for Victory gardens in the county. Packets are made up for various size families.

MARTIN ZERR DROWNS IN LAKE CORPUS CHRISTI

Funeral services for Martin Zerr, 54, of Corpus Christi, who was drowned in Lake Corpus Christi near Mathis, Thursday afternoon May 25, were held from his home at 10:30 o'clock Saturday morning, May 27. Burial was made in Rose Hill cemetery, Corpus Christi, with the following serving as pall-bearers: Bruce Kline, O. K. Dowell, Birge Holt, E. B. Dabney Jr., John Kaler, Hugh Karbach, Meredith Queen and Lauren Smith.

The deceased is survived by his widow, one son, John, 12, and a daughter, Janet, 10, of 3642 Saxet Drive, Corpus Christi; one brother, R. J. Zerr of Hondo and three sisters, Mrs. Wm. Lieber and Mrs. A. J. Grimsinger of Hondo and Mrs. Joe J. Ney of D'Hanis.

The following account of the tragedy is taken from a Corpus Christi paper:

The body of Martin Zerr, 54, local lumberman and real estate developer who was drowned in Lake Corpus Christi near Mathis at about 4:30 yesterday afternoon (Thursday) was recovered from the lake at 11:20 o'clock this morning.

Eric Wright of Mathis and two other men found Zerr's body while trolling the lake with grappling hooks.

Robert Lotspeich, manager of the Cago Implement Co. at Mathis, said the body was found within 10 feet of a buoy which had been placed at the spot Zerr went down after the small skiff in which he was riding with two children capsized. Lotspeich placed the buoy after he and an unnamed negro rescued the two children.

The two children, Zerr's son John, 12, and Allen Hardy, about 12, clung to the capsized boat until the rescuers came.

Friends of Zerr, who was president and general manager of the Corpus Christi Lumber & Development Co., said it was believed he suffered a heart attack after the boat capsized. He went down almost immediately.

A diver from the Empire Dock and Boat Works was to have gone down to search for the lumberman's body today, but the body was found before he arrived at the scene.

Eddie Wright, custodian at the lake, said he was on patrol duty within a quarter of a mile of the site of the tragedy, but was headed in another direction and did not know of the drowning until he had finished the patrol run. It was the first drowning on the lake since patrol boats were placed there by the city two and a half years ago.

Attending the funeral in Corpus Christi Saturday were Mr. and Mrs. R. J. Zerr, Mrs. A. J. Grimsinger and son, Thomas Grimsinger, and Mr. and Mrs. W. A. Lieber of Hondo, Mrs. Joe J. Ney and sons, Herman and Martin Ney, and daughter, Mrs. Charles Langfeld, of D'Hanis, and Mr. and Mrs. E. J. Michna of Seguin.

SPONSORING NUTRITION PROGRAM.

A nationwide educational program of nutrition and conservation has been launched, and is known as the National Nutrition Program of the Office of Defense Health and Welfare. Sponsored by the United States Government, the purpose of the program is to show homemakers how to better organize their homes to meet the demands of the war effort. It is designed to teach homemakers how to get the most out of foods and supplies, how to extend the life of their household equipment, and how to conserve their time and energy for other phases of the war effort.

S. L. Taylor, District Manager of United Gas Corporation, said that his company is co-operating in the movement.

"Almost overnight, homemaking has become a war industry," he said. "The big job for wives and mothers today is to build stronger Americans—stronger men and women, boys and girls."

"Homes, like industrial plants, are making adjustments to meet the demands of these critical times. As never before, the modern knowledge of nutrition and food care is being brought into play to help provide more healthful and energy-producing meals."

He called attention particularly to the valuable information which is now being released through newspapers and national magazines throughout the United States.

"If homemakers will watch all newspapers and current issues of outstanding national magazines, they will be able to follow the Nutrition and Conservation Program outlined by the Government," he said. It was announced by the American Gas Association that the Saturday Evening Post will devote nine full-color pages in its June issues to the National Nutrition Program.

RECEIVING PUBLIC WELFARE ASSISTANCE IN MEDINA COUNTY

In answer to the question, "Why doesn't every aged person draw \$30 per month Old Age Assistance?" Miss Mary R. Cameron, Department of Public Welfare, points out the practical problem of financing such a program and the fact that Texas would lose federal grants-in-aid by which it is now paying one-half of the expense if such a law were passed.

"The 1940 census reveals that Texas has 345,120 aged persons over 65," she declared. "If each of these were paid \$30 per month, without any allowance for administrative costs, it would require \$10,353,600 each month, or \$124,243,200 per year. The 47th legislature appropriated money to supply one-half the amount needed each month to pay grants to aged persons meeting the law's qualifications, specifying that no more than \$1,750,000 should be used in any one month. With federal matching funds this makes possible a maximum expenditure of \$3,500,000 for Old Age Assistance. This month \$3,374,649 were distributed to 172,324 recipients and the rolls continue to grow despite losses due

LADIES' AID MEETS

The Ladies' Aid Society of Martha met in the Fous Building on May 27, 1942, at 3:30 P. M. The meeting was conducted as in its usual manner.

The ladies were happy to have Mrs. Leonard Bippert as their visitor.

The following members were appointed to serve on the following committees: Mesdames Harry Bongers and L. Otto on the Sick Committee; Mrs. Robert de Montel and Mrs. Felix Stinson on the Membership Committee.

The Ladies' Aid presented the church with a cedar chest for the altar covers.

to death and ineligibility."

A fundamental requirement of the federal government is that all grants shall vary according to the individual needs of an applicant, therefore if \$30 per month were paid to all aged persons, the federal aid would be lost, Miss Cameron stated.

Texas is now making monthly cash public assistance payments to three groups of needy people. These are men and women over 65, blind people, and dependent children who have lost the care or support of one or both parents. Miss Cameron stated that the amount of the cash payment which each needy person receives is decided by the local welfare office after a careful and thoughtful study of each person's situation. Three general facts considered by the local office in making this decision are: the resources which the needy person has at his disposal, how much he needs to live on, and the statutory maximum which can be granted.

There are now 282 aged persons receiving Old Age Assistance in Medina County, an increase of 8 over the previous month. Grants average \$18.82 in the county and total \$5,306. Medina County has 4 blind persons receiving a total of \$96.00 in average grants of \$24.00.

The state and federal assistance program for dependent children is helping 50 families in Medina County. Grants for May average \$21.22 per family, and total \$1,061.00.

Rev. John Gerbermann, of LaCoste, will be the archpriest; Rev. Claude Faust, San Antonio, deacon, and Rev. Joseph Breitenbeck, Detroit, subdeacon. Rev. Gabriel Hentrich, O. C. D., will preach.

MISSIONS AT HOME

The San Antonio Baseball Club, "The Missions", return home from a road trip around the circuit in which a series of games was played with every club in the league with the exception of Houston. Opening up in San Antonio with a double header with Houston Friday night, May 22, the club will be at home for twenty playing days during which time they will be hosts to every club in the circuit.

On the road trip, from which the Missions have just returned, they won eight and lost eight games and returned home in fourth place, three games behind Houston. During the present home stand, the Missions will make a determined effort to increase their lead over the second division clubs and obtain a higher berth in the first division.

Manager Winegarner, in the games played so far this season, has shown himself to be a real "pepper pot", alternating on the coaching line, outfield and on the pitcher's mound. George Hausman, who is returned to San Antonio for the present season, is hitting the ball at a 309 clip followed by Frank Mancuso and Tom Hafez. Hausman is at the present time leading the league with 28 runs scored, while Jerry Witte,
